Profile

Enthusiastic and ambitious individual with a great passion for Data Science and UI/UX design industry, I am very eager to develop myself and be more competent in these fields. Currently, I am in my final year of studying Bachelor of Computer Application at Lovely Professional University. I also have excellent communication skills, enabling me to effectively communicate with a wide range of people.

Academic Qualifications

Bachelor in Computer Application

Lovely Professional University
Punjab, India
2019 - 2022

8.32 CGPA (out of 10)
*as of 5th Semester

Higher Studies in Management

Global College of Management
Kathmandu, Nepal
2016 - 2018

3.36 CGPA (out of 4)

Internship

Internship for SEO and Content Writing

at gossipfunda.com

Part-time internship done online for a Lucknow based website

Feb 2020 - April 2020

During my two months internship period with Gossipfunda, I wrote a handful of blogs relating to technology and how to perform various tasks on iPhones. Along with blogs I was responsible to make sure that all the other blogs submitted by bloggers working in the firm has a good SEO score. For that, I used to work in WordPress.

Some of my work at Gossipfunda are:

[Graphene Battery Technology](#)

[How to set up voicemail in iPhone](#)

Certification

SQL for Data Science

Issued on: August 2020 (no expiration)

University of California, Davis on Coursera

Credential: [K6X8G96YRGRT](#)
